Campbell County Dems Get Together to Get Together

For a couple of years now, the Campbell County Democratic Party has been absent. But a group of us are ready to get it back together and get this started.

So, we organized a little pizza party Tuesday night at Pizza Carello in Gillette. And a good time was had by all.

We had 11 people in attendance and we all agreed that it is time to reorganize the Party get it going back again.

So, that is the plan. We are currently working on getting a regular meeting set up and Party leadership will guide us through the process of what we need to do to have officers and all the official things required.

Stay tuned for further information!

We want to send a special thanks to the folks who traveled from Johnson County and Weston County. We appreciate your support and we look forward to working with you to build a

strong network of Democrats in Wyoming!
