Letter To The Editor: Welcome to MAGA

Welcome to MAGA. After Trump guts your Social Security, retirement and Medicare, you can go on Medicaid and food stamps. Oops! That won't be much good either. Then, I suppose, you could find consolation by spending time in the newly organized Campbell County Christian library. Except you won't

be able to afford the new fees because Campbell County doesn’t accept the scientific basis for climate change. The fascist Freedom Caucus in the state legislature supports all this by cutting the taxes which support our local systems. Have a good one.
