

New to the Area? Meet the Campbell County Democrats

Never been to a local meeting before? Start here. Join the Campbell County Democrats for a casual, kid-friendly Coffee & Conversations meetup.

If you've never attended a Campbell County Democrats event before, let us give you the perfect first step. Skip the formal evening meetings and join us instead for Coffee & Conversations!

This morning meetup is the ultimate low-pressure way to introduce yourself, meet local organizers, and connect with fellow progressives in the community. No commitment necessary—just an open invitation to hang out, share a warm drink, and talk about what matters to you.

We love seeing new faces, and we love seeing families! Kids are always welcome to join.
