

Our Party Officers

Campbell County Democratic Central Committee – 2025-2027

Our Campbell County Democratic Central Committee is powered entirely by dedicated volunteers who step up to serve two-year leadership terms. These officers each oversee specific areas of responsibility, guiding our strategic planning and working tirelessly to protect our shared Wyoming values.

Chairwoman – Heidi Kennedy

I'm a lifelong Democrat, & every single day I wake up with the intention of doing at least one thing to make this world a little bit better & to change the landscape of the world we

exist in. My goal is to make it just a little bit kinder & more beneficial for average citizens at the local, state, & national level. I'm happily married to my high-school sweetheart, Russ, & I'm the proud mother of five grown children & two teenage grandsons. For a living, I'm a food writer with a food blog & a cookbook, & for fun, I love to read, garden, & spend time with friends & family.

Vice Chairwoman AND Secretary – Karin Ebertz

I'm a proud Wyoming Democrat because I believe the party has better ideas & is more serious about tackling the real problems facing our state & country. Respecting the dignity & worth of all people is one of my core values. A common thread running through my life has been to reach out & include people in groups where they will find friendship, community, support, & hopefully work for something bigger than themselves. I'm married to my best friend, Dave, & between us we have 5 grown children & 3 grandkids. I'm a retired elementary teacher, & I love spending time with family & friends, being outdoors, gardening, walking, snowshoeing, & reading.
