Volunteer

The Campbell County Democratic Party is powered by passionate volunteers like you. We are a community of neighbors, friends, and family working together to make our county a better place for everyone. Whether you have a lot of time or just a little, your help is essential in supporting our community, advocating for our values, and getting out the vote.

There are many ways to get involved, from phone banking and canvassing to helping with events and digital outreach. We'll work with you to find a role that fits your skills and interests. Please fill out our volunteer form below so we can connect you with opportunities that match your availability and passion.

Why Volunteer?

- Make a difference locally: Help shape the future of Campbell County by supporting local candidates and initiatives.
- Connect with your community: Meet other people who share your values and work together on meaningful projects.
- Develop new skills: Learn about political organizing, event planning, communications, and more.
- Be a voice for change: Advocate for issues that matter most to you, from education and healthcare to jobs and the environment.
